

Dirt Track Racing Scanner Frequencies

Most dirt tracks and dirt racing organizations prohibit the use of two-way radios by the drivers. Some tracks and series do use the Raceceiver device to be able to talk directly to the drivers. However there is still plenty to hear from the officials.

Sanctioning Bodies and Touring Series

Badger Midget Auto Racing		
151.8650 (CS)		BMARA Officials
451.1188		BMARA Officials
464.5500 (d516)		Raceceiver frequency

Interstate Racing Association
